## 5 Popular Things To Eat And Drink In San Diego

You know about San Diego's amazing weather, gorgeous shoreline and diverse neighborhoods but do you know about its food? Besides just being a pretty city, San Diego boasts a thriving food scene featuring international cuisine, award-winning beers, and great seafood.

Hungry yet? Here's where to go for not-to-miss dishes and sips in America's Finest City.

## Fish Tacos

You can trace this dish's origins south of the border but San Diego made this seafaring taco featuring fish, cabbage and a squeeze of lime an iconic dish. Those wanting to taste their way through diverse offerings should start with homegrown [Rubio's](#). Afterward, head over to [Oscar's Mexican Seafood](#) or [The Fish Shop](#), each boasting three locations, as starting points for exploring more options throughout the county.
